Starfield Exploration with the Crewe Astronomy Club

(Prince Edward County,VA)… Camp Paradise Access and the center of High Bridge will be the location for a spring sky program, starting at 8:00 pm on Saturday, April 29, 2023. From a point high above the Appomattox River's floodplain, visitors can explore the cosmos from High Bridge with our local Crewe Astronomy Club. Members of this organization are friendly, knowledgeable, and generous with their time and access to their equipment. High Bridge Trail is a day use park, so night programs are a special experience here. We suggest red filters on all personal lighting. White lights interrupt visitor's night vision, and can degrade other people's experiences.

This event is free, but there is a $5 parking fee. For more information about this program at High Bridge Trail, please call the office at 434-315-0457, or you may email us at highbridgetrail@dcr.virginia.gov .
