Earth Day Bird Watching Fun and Site Cleanup

(Cumberland, VA)… In a partnership program with High Bridge Trail State Park, the Margaret Watson Bird Club will have volunteers on site to share their avian knowledge during a birding adventure on Saturday, April 22, 2023. Help our local bird club conduct a bird survey of wild birds on our park's Rochelle Tract, located 1.6 miles east of Farmville along High Bridge Trail. This program will require participants to walk for about 2 miles of varied terrain. A modest level of fitness is required. Participants are to meet at the Charley's parking lot in Farmville near the trail crossing with Main Street at 8:30 a.m. We will convoy in vehicles to an access to the program area. Visitors will find this outing enjoyable and informative at all knowledge and experience levels. We will conduct a brief cleanup on site just prior to the bird hike. We recommend sturdy, seasonal clothing. For more information, contact the High Bridge Trail State Park office at 434-315-0457, or email highbridgetrail@dcr.virginia.gov.
